

MIDDLETON CHENEY
FOOTBALL CLUB

We very much look forward to our forthcoming fixture. We kindly request that you share this information with your players, parents and supporters in advance.

Your support in ensuring compliance with the below is greatly appreciated.

Arrival

Our home ground is set in a residential area, so please respect our neighbours when parking. Additional parking is available in the car park on Main Road, between the Primary School and the Library, OX17 2PD.

Our Home Kit

We play in Royal Blue with white trim, please try to avoid a kit clash where possible and inform our manager should this be an issue.

Respect

We are an FA Charter Standard Development Club and follow the RESPECT guidelines and expect all visitors to do the same. Those not doing so, may be asked to leave the site.

Prohibited at Astrop Road

We thank you for:

- not smoking anywhere on site;
- leaving all pets at home;
- not cleaning boots in the car park after games; and
- parking responsibly in surrounding streets.

Refreshments

Our café is open from 9am to 12.30pm on Saturday morning, serving hot & cold drinks and snacks.

Our Ground

Astrop Road
Middleton Cheney
OX17 2PG

Covid-19

Please use the NHS Track & Trace app at our games or [click here](#) to access our Club's Track & Trace form prior to match day. All coaches, players, parents and other spectators must register with one of the systems. It is the responsibility of visiting coaches to ensure that the registration process is completed.

We are relying on our visitors to ensure that anyone displaying Covid-19 symptoms DOES NOT attend the site. Visiting coaches should advise all parents & spectators to sanitise their hands after exiting vehicles and regularly when on site.

Toilets and Changing Facilities

The male and female toilets are strictly one out/one in, so please observe social distancing when waiting to access the toilets.

Changing rooms are currently unavailable as per the current FA Guidelines, so please ensure players come prepared.

Health & Safety

The defibrillator is located in the café, just inside the door. The Fire Evacuation point is on the car park, at the side of the Pavilion.

Emergency exits are via the main car park and via the pedestrian access by the tennis courts.
